A449. Antidrug and Alcohol Misuse Prevention Program

HQ Control: 01/22/04
HQ Revision: 000

- a. The Part 145 repair station certificate holder has elected to implement an Antidrug and Alcohol Misuse Prevention Program, because the certificate holder performs safety-sensitive functions for a 14 CFR Part 121, and 135 certificate holder and/or for a 14 CFR Part 91 sightseeing operation as defined by 14 CFR §135.1(c).
- b. The certificate holder certifies that it will comply with the requirements of 14 CFR Part 121 appendices I and J and 49 CFR Part 40 for its Antidrug and Alcohol Misuse Prevention Program.
- c. Antidrug and Alcohol Misuse Prevention Program records are maintained and available for inspection by the FAA's Drug Abatement Compliance and Enforcement Inspectors at the location listed in Table 1 below:

Table 1

Location & Telephone of Antidrug and Alcohol Misuse Prevention Program Records:	
Telephone Number:	(636) 532 -4800
Address:	532 Beechcraft Avenue
Address:	
City:	Chesterfield
State:	MO
Zip code:	63005

d. Limitations and Provisions.

- (1) Antidrug and Alcohol Misuse Prevention Program inspections and enforcement activity will be conducted by the Drug Abatement Division. Questions regarding these programs should be directed to the Drug Abatement Division.
- (2) The certificate holder is responsible for updating this operations specification when any of the following changes occur:
 - (a) Location or phone number where the Antidrug and Alcohol Misuse Prevention Program Records are kept.
 - (b) If the certificate holder's number of safety-sensitive employees goes to 50 and above, or falls below 50 safety-sensitive employees.
- (3) The certificate holder with 50 or more employees performing a safety-sensitive function on January 1 of the calendar year must submit an annual report to the Drug Abatement Division of the FAA.
- (4) The certificate holder with fewer than 50 employees performing a safety-sensitive function on January 1 of any calendar year must submit an annual report upon request of the Administrator, as specified in the regulations.

The certificate holder has fewer than 50 safety-sensitive employees.

1. Issued by the Federal Aviation Administration.
2. These Operations Specifications are approved by direction of the Administrator.

Plan Identification No. B-CE-00016-U

Mr. Mark W. Meisinger
Executive Beechcraft STL, Inc.
532 Beechcraft Avenue
Chesterfield, MO 63005

Dear Mr. Meisinger:

I am pleased to inform you that your enclosed anti-drug plan has been approved by the Federal Aviation Administration (FAA). Under the terms of this approval, you are authorized to begin testing covered employees on February 14, 1990. You may implement other provisions of your program such as employee education and training prior to the commencement of testing. For preemployment testing, please note that applicants for covered positions must be informed of the testing requirement at the time of application. Your plan has been issued the unique identification number shown above. Please be sure to include this number in any communication to the FAA regarding your drug testing program.

The Federal Aviation Regulations require submission of semiannual and annual reports to the FAA Office of Aviation Medicine. Your initial report should be submitted by August 15, 1990, and should cover the period from initial implementation of your plan through June 30, 1990. A sample reporting format is enclosed for your use in preparing the required reports.

Please feel free to contact this office if you have any questions regarding this program.

Sincerely,

K.M. LaLick
for Heidi Mayer
Manager, Drug Abatement Branch
Office of Aviation Medicine
